

Fireworks Amid The Rain Drops

Colleen and Kristina Heselton, daughters of Mr. and Mrs. Albert Heselton, 60 Center St., came prepared to view the fireworks display at the playstead Tuesday night. Umbrellas and raincoats assisted in viewing the spectacular display which was the only event to survive the all-day downpour on the holiday. The town's annual Old Time Fourth celebration at the park had to be cancelled.

To Head FinCom

Donn Byrne has been elected chairman of the Finance Committee, following a recent reorganizational meeting.

Byrne, office manager for Barrett Warehouse, is serving his second three-year term as a member of the FinCom.

He replaces Charles Wesson who has served as FinCom chairman for the past two years.

Robert L. Merrill, 57 Cross St., manager of customer services for Intercom of Northboro, will serve as vice chairman. Merrill, a Northeastern graduate with an MBA from Babson College, is in the second year of his first three year term on the board.

Frederick P. Fitzgerald will serve as secretary-treasurer of the FinCom. A graduate of Columbia, he owns Metal Working Tools and Instrument Co., and has served as chairman of the committee to improve town meeting, and also a term on the Andover school committee.

Development Director Post Attracts 72

Appointment of a community development director could be made within the next two months, according to Town Manager Jared S. A. Clark, who has begun the process of reviewing the 72 applications submitted for the post.

The actual department will become officially a part of the town's administrative chart on July 17, and will be responsible for the co-ordination of the efforts of several department, all dealing with the growth of the town.

Clark said this week that there had been 72 applications submitted for the director's position by the June 30 deadline. Of those there will be five to eight who will be selected for final interviews, prior to appointment. The manager indicated that there were some local applicants who would be among the finalists.

The selection process is aimed at having the director on board by sometime in September.

Clark will be handling the duties of the office following its actual becoming a part of the town's organizational structure on July 17, and will continue in that capacity until the appointee takes office.

Purpose of the department is to improve

on inter-committee and inter-office communication between town boards, committees, department heads, who have a responsibility for regulating land use within the town and also help provide some overall direction and coordination between various responsibilities.

The director of community development would not usurp any powers or responsibilities of the various boards and agents under his direction.

There will be three division within the department, a building inspection and zoning division, land improvements and conservation division and public health.

The building inspections group will be headed by the inspector of building, assisted by a local building inspector, gas inspector and electrical inspector.

The land improvements and conservation decision, will have under the direction of the director of community development and will include a general construction supervisor and a conservation aide.

The third division, the health department will be headed by the health director who will be assisted by a public health nurse, a sanitarian and such persons as may be assigned from time to time, to assist in proper inspections mandated by

Providence College Graduates

Two area residents were among the 1084 graduates of Providence College who received their degrees during commencement exercises, May 23.

Graduated from Liberal Arts College were:

Gerald D. Fahey of 13 Carmel Road, Andover, who was awarded a bachelor degree in business management.

Jeffrey C. Lavin of 9 Robandy Road, Andover, who was awarded a bachelor degree in business management.

Founded in 1917, Providence College is a coeducational institution with a total undergraduate enrollment of 3,400 students. Situated on a 100-acre campus, the college is conducted under the auspices of the Dominican Fathers.

P.A. Grad Scholarship Finalist

Leigh Simpson, of Windham, N.H., who graduated from Phillips Academy on June 4, has been honored as one of the 600 finalists in the 15th annual Presidential Scholarship Program of 1978. A former Newton Resident, Leigh is the daughter of Mrs. Alan Burbank of West Shore Drive. She was a one-year senior at Andover, and prior to attending Phillips Academy, Leigh attended Timberland Regional High School in Atkinson, N.H.

The Presidential Scholars Program annually selects the nation's distinguished graduating high school seniors from each region of the country, on the basis of scholarship, leadership and creative accomplishment, for Presidential recognition of "the most precious resource of the nation — the brain power of its young people."

Leigh Simpson, though not selected as one of the 121 Presidential Scholars to visit the nation's capital, has been cited for high

scholarly accomplishment. Leigh will attend Carleton College in Minnesota.

Candidates for this honor are initially identified as top scholars from the more than two million graduating seniors who elected to take the

Scholars in Aptitude Test of the Educational Testing Service or the ACT assessment of the American College Testing Service in preparation for college entrance. The Program, established by Executive Order of President Lyndon B. Johnson in 1964,

Abbot Property Agenda Item For Selectmen

Selectmen will be meeting in conference session Monday at 7:30 p.m. at the Water Treatment plant with a joint session with the planning board on the agenda.

Among the items tentatively set for discussing with the planners is the disposal of the Abbot Academy

property on School street by Phillips Academy.

Development of a Health Care facility on the former campus is planned by a midwest firm which has indicated to Phillips administrators its desire to acquire the Abbot land.

Report Cards Are Mailed

Report cards for students at West Junior High school have been mailed home to parents.

Principal William E. Hart reports that the grades were placed in the mail last Friday, June 30.

Sewer Permits Approved

Selectmen, sitting as the sewer commissioners, have approved sewer connection permits for 159 Wild Rose Drive and also for five lots on Algonquin Avenue. The

applications were reviewed by the board of public works and board of health prior to the issuance of the permits by selectmen.

Restaurant Allowed Change

Andover Jade restaurant has been given a permit for a change in premises in order to add a dance floor, at their Shawsheen Plaza location.

Selectmen at their meeting on

June 28 granted the change in premises in order to conform to the licensing regulations. Also approved at the same time was the issuance of an amusement license to the restaurant.

Joyce Terrace Taking Is Approved

Selectmen have approved the order of taking for Castle Heights Road and Joyce Terrace, in conformance with a vote of the annual town meeting.

The taking of the property, or streets, by the town, facilitates the procedure for eventual acceptance of the two roads as public ways.

Residents of the two streets will

have to have the roadways brought up to standards established by the town for acceptance of streets, then have the matter placed before town meeting again for acceptance.

The taking of the streets by the town is necessitated by one landowner still having title to a section of the streets.

October Meeting May Be Cancelled

Selectmen and Town Manager Jared S. A. Clark are currently examining items which could be placed on the October town meeting agenda, with an eye toward determining whether or not the session may be necessary this year.

Clark said this week that the

board would be making a decision soon on whether or not to call the meeting based on the agenda items. If there is nothing of major import to come before the voters, then the items will be referred to the annual town meeting next spring.

Architectural Firm Proposals Being Reviewed

The school building committee has been meeting nightly this week with the exception of the holiday, reviewing the various proposal sub-

mitted by architectural firms. Several proposals were received

Grune In Summer Program

Guerry Leonard Grune of Duke University is one of 12 graduate students from colleges doing fossil-energy research at Department of Energy research centers in Oklahoma, Pennsylvania, and West Virginia. Grune resides at 2 Magnolia Ave., Andover.

The special research participation program is administered for the DOE by Oak Ridge Associated Universities — a not-for-profit corporation of 45 colleges and universities. ORAU conducts programs in public and professional education, research, and training, primarily for the DOE, as well as for other private and public agencies.

The participants will carry out their research at the Bartlesville (Oklahoma) Energy Research Center, the Morgantown

(West Virginia) Energy Research Center, and the Pittsburgh (Pennsylvania) Energy Research Center.

The research activities carried out by the participants in close association with center scientists has a three-way benefit: The participant benefits from the professional involvement in the center's mission-oriented research and development programs. The participant's research contributes directly to the center's and DOE's programs. Home institutions and students benefit from the new knowledge gained at the center.

Nineteen of the 1978 program participants will work at the Pittsburgh Energy Research Center, nine at Morgantown, three at Bartlesville, and one at Carbondale.

Kinder-Kamp Registrations

The special summer program for boys and girls 4-6 years of age of the Andover-North Andover Y.M.C.A. is now in progress. Kinder-Kamp registrations are being accepted for one or more weeks on a first come basis. Call the Y.M.C.A. for details.

The group meets daily Monday-Friday, 9 a.m.-12 Noon under the supervision of Kinder-Kamp Director Cathy Crane. Use of the Haverhill St. facility is available for the program and activities include swimming, arts and crafts, cooking, outdoor fun and physical training.

MV Philharmonic Plans Four Concerts

Plans are well advanced to make the 1978-1979 season of the Merrimack Valley Philharmonic the most memorable series

in the orchestra's 18-year history. Four concerts are being scheduled with the first to be held at George Washington

Hall, Phillips Academy in Andover on Sunday afternoon, Nov. 19. This first concert is to feature the noted 15-year-old pianist Marc Clinton playing Beethoven's 3rd Concerto. Following will be the Christmas concert in December and Spring concerts in March and April. Additionally, several sponsored concerts are anticipated.

On Saturday, Oct. 28, the annual Symphony Ball, an attraction on the Fall social calendar, will be held at the Seraton Rolling Green in Andover. Mrs. Noreen Mallen of Methuen is again in charge of arrangements for this affair.

At the annual meeting and election of officers held in June, Mrs. Anthony J. Ippolito of Salem, N.H. was elected president for the coming year. She succeeds James Booth of Andover and she previously served as the Philharmonic's president from 1965 through 1970. John Gleason of Lowell will serve as vice president. Also elected were: Mrs. Frank Duncan,

treasurer; Miss Emma M. DeFelice, recording secretary and Mrs. Albert F. Perrault as corresponding secretary.

Five new directors were elected to the Board, joining the 25 who already serve. They are Wilson Barry of Andover, Miss Dorothy Bruno of Methuen, Miss Irene Delarge of Lawrence, Raymond B. DeRuisseau of Lawrence and William A. Doherty of Andover.

Nicholas Van Slyck will return for his 12th season as music director and conductor of the orchestra. His assistant will again be Domenic Teoli who has been affiliated with the musical group since inception of the Philharmonic. Librarian and stage director is John Doyle of Andover and he will be assisted by Robert Vaughan of North Andover. Dorothy Bruno of Methuen assumes the duties of personnel manager while Claire Jaques Smith of Salem continues as business manager.

Citation Presented

Citations praising the cultural development efforts of the Merrimack Philharmonic orchestra were issued by Governor Dukakis on behalf of the State and by the Massachusetts Senate at the close of last season. Here the citations are being presented to Nicholas Van Slyck by president elect Mrs. Anthony J. Ippolito in appreciation of his years of service as the orchestra's conductor and musical director. The presentations took place at the MVP planning meeting held recently.

A Good Review

Fireman Apprentice Scott Flanagan, 18, son of Mr. and Mrs. William Flanagan of 1072 Turnpike St., North Andover, (middle in picture) marvels with his friends over the reviews that his ship, the U.S.S. Forrestal (CV-59) received when it recently visited Marseille, France for a two-week "mini-yard" period. The 1,039 ft. ship has been on deployment in the Mediterranean since April. For three straight days, Forrestal made the headlines in all the major Marseille newspapers. This was the first time that an aircraft carrier had visited the French port, the second largest city in France, in eight years. Flanagan's friends are (left) ABFAN Michael Holl of Bowling Green, Kentucky, and Marine PFC Michael Geronimi of Iron Mountain, Mich.

Lets Talk About Honey

Natural Raw Honey contains miraculous nutritional and medicinal qualities and has been used for healing purposes since early history.

Honey increases calcium retention, prevents nutritional anemia, is helpful for colds, poor circulation and complexion problems.

Darker honeys are richer in minerals than lighter honeys. Copper, calcium, iron and chromium are found in all honeys. So next time you have a sweet tooth try nature's miracle food — honey.

The Earthfood Store sells the finest honey in one pound jars and in Bulk.

Dollars & Sense

When we spend your dollars to buy Insurance, we ask ourselves some hard questions. Like "Are we buying from the best company", or "Does a larger deductible to create a smaller premium make more sense." or "Can we reduce your cost by changing some of your obligations"?

These are hard questions that demand careful answers. And we answer them. That's the way we do business. After all, if we're spending your dollars shouldn't we use a little sense?

Summer Concert

The summer's first rock concert will feature the music of Open Roads on Wednesday, July 12. The concert begins at 7 p.m. and will conclude at 10 p.m. Admission is free and everyone is invited to attend.

Family Movie

Beginning at dusk on Monday evenings, free family movies will be featured in Central Park. The movie program will continue until August 21, and will present a variety of popular full-length films as well as cartoon shorts. Monday, July 10, the main attraction will be "Blue Water, White Death."

"Little Red Wagon" Puppetry

A special event for children will take place at Central Park on Wednesday, July 12 at 2 p.m. when the "Little Red Wagon" theatre group will present a puppetry show. Admission is free.

Dixieland Sounds Featured

Dixieland music will come to Central Park on Thursday, July 6 at 6:45 p.m. The concert, which will be performed by the American Federation of Musicians Local No. 372, is one of six "old fashioned concerts in the park" that will be featured on selected Thursday evenings throughout the summer. Future concerts will be announced in this column, and on the Andover Special Events Board in Elm Square. Concerts are also listed in the Recreation/Community Schools Summer program booklet.

Playground Reports

Beginning this week, each playground — Ballardvale, Doherty, Sanborn, Shawsheen, South, West Elementary and Pre-School along with the Special Needs Program — will be contributing weekly articles to this column. The articles will be written by playground staff members and will deal with the kinds of activities that have been going on and are being planned in each area.

Shawsheen

Shawsheen started off its summer with the usual amount of confusion and mayhem, but when the dust cleared, everything ran smoothly.

Mary Alice got things going with a nature walk which resulted in pine cone bird feeders. Ann Marie was shocked to find the cone eaten, in addition to the peanut butter and bird seed.

The regulars are all back, the Hastings Petzolds, Pickards, Stanfields, Comeaus, Merciers, Romanos and more, including the Sirois' with our newest addition, Joey, who comes three times a week.

Wednesday, we made a playground banner, and it is a beauty. With a large group effort, it shows much of the playground's activities and lot of diversified talents.

But the highlight of the week was our cookout, in which our cook, Janice

(Moody, not Walsh), showed us just how it should be done. All in all it was a very active week and we're looking forward to seven more.

South

South

South playground opened up this week with a lot of new faces, including some of the staff. South is being supervised this year by Carla Bovay, Ann Driscoll, Bob Stammers and Mike Franz.

A lot of sports were played this week including softball, kickball, floor hockey, soccer and bombardment (South's favorite!). We also spent a lot of time playing with the parachute.

Chaisson Graduates At Chanute

Airman Daniel J. Chaisson, son of Mr. and Mrs. John F. Chaisson of 269 Sutton St., North Andover, has graduated at Chanute AFB, Ill., from the U.S. Air Force technical training course for fire protection specialists.

Airman Chaisson, now trained to fight structural

and aircraft fires and repair fire fighting equipment, is being assigned to Torrejon AB, Spain for duty with a unit of the U.S. Air Forces in Europe. Completion of the course earned the individual

credits towards an associate in applied science degree through the Community College of the Air Force.

The airman is a 1977 graduate of North Andover High School.

Lantern Lights

From 10-12 on Saturday morning, July 8, the Peabody Museum of Salem is holding a Lantern Day Celebration for children. The children will learn the ancient secrets from the orient that ensure a happy summer. First, a magic circle of straw must be stepped through. Then, each child will make his own good-fortune lantern. When the lanterns are ready, everyone will parade down the Essex Mall in front of the Museum so that the lanterns' light may ensure that fortune smiles on all Salem for the summer.

(Continued from Page Eight)

On Tuesday and Thursday we took nature walks and collected pine cones, leaves and flowers. From these we made nature collages, and from the pine cones we made pine cone bird feeders.

On Friday we made attractive salt jars and had a big cookout at the end of the day.

West Elementary

The wild, wild West playground got off to a great start on Monday. Many of our "old gang" plus many new kids helped to welcome our brand new leaders Barry and Luan and our aid MaryLou. On Tuesday we gathered pine cones, made peanut butter and birdseed feeders. We have been busy playing exciting games of softball, kickball, hockey and of course Wonderball. For those of us with a sweet tooth, we decorated ice cream cones with gum drops, frosting and marshmallows. Tye-dye tee shirts are now the rage on the playground and we spent Wednesday and Thursday dying tee shirts red and blue. Friday we had a cook-out and a sprinkler party. Just the thing to cool off a hot June day! Next week we are planning a tea party for all our parents and are going to have a doll contest and a water balloon fight.

Tells of Andover, Mass. Visit

Typing a knot in one's apron is believed by some to give gossips toothaches.

Editor's Note: The following is from the Andover, Hampshire, England Advertiser written by Bill Francis, part of a group of Rotarians from Andover, England who were guests here during June:

The president of Andover Rotary Club, Rotarian Hugh Baker and his wife, Mabs, with a party of 12 other Rotarians and their wives have been on a visit to Lawrence Rotary Club, adjoining Andover, Massachusetts.

The party left London's Heathrow Air-

port by British Airways Jumbo jet on Monday, 5 June and were met at Boston Airport by members of the Lawrence Rotary Club who all live in Andover, Mass.

After a reception the members of the party split up and departed with their hosts.

One of the party was Rtn. Bill Francis, who was accompanied by his wife, Kay, and he writes of the trip:—

On Tuesday morning we met at Andover Town Hall and were given a conducted tour by Col. Harris who is vice-chairman of the Board of Selectmen.

The assistant town manager, Sheldon Cohen, introduced us to all members and heads of departments and all the Andover (Hants) Rotarians were presented with a medallion commemorating the Bicentenary Anniversary of Andover, Mass.

"In the afternoon we went to the Concord Bridge and Lexington Common.

"We were taken on a conducted tour of Boston on Wednesday. By this time certain members of the party had become used to driving on the right-hand side of the road and were able to drive us all in.

"We went up take 740 ft high John Hancock skyscraper before going to the Park Plaza Hotel, with our wives, for a Rotarian meeting with the Boston Club.

"In the afternoon we were given a conducted tour of the "Old North Church" by the Rev. Dorridge who is a member of Boston Rotary Club and knew Canon and Mrs. Machin very well. We were then taken around Faneuil Hall and Quincy Market and some of us went to the State House.

"The Andover Party and their wives visited Lawrence Rotary Club on Thursday for their weekly meeting (during the morning I was given a personal tour of the East Junior High School by the daughter of my host, Laurie Lewis).

"On Friday members were given a free day to visit places of interest with their hosts and I took Rtn. Mason with me to Newburyport and the New Hampshire coast.

"In the evening we were entertained at a ladies' night given by Lawrence Rotary Club at Lanam Club, Andover, where we danced well into the night.

"My host took me to Strawberry Banke, Portsmouth, on Saturday, which is a story in itself. We lunched at the Puddleduck pub and in the afternoon went to the wedding of the Minister's daughter, Rev. J. Edison Pike, followed by a cocktail party and finished the day at the Norwich

University Alumni Club, Boston.

"On Sunday the Andover party met at Gloucester at the Cape Ann Marina for a sea trip to Boston, many of the Andover (Hants) Rotarians acting as 'captains' en route.

"On return in the evening we had an evening meal at Bob's Clam Shack at

Pharmacology

In a collaborative educational venture with Northern Essex Community College, Haverhill, the Massachusetts College of Pharmacy will present a course in Basic Pharmacology at the N.E.C.C. campus beginning July 17, 1978.

The course is designed primarily for teachers, social workers and other who need a basic understanding of drug interactions as a tool in their work, or as a teaching aid. The course will present drug interactions in healthy and diseased bodies, reference sources for the interpretation of medicines and methods of teaching basic pharmacology. The course format is non-technical and no previous experience in chemistry or biology is required.

For Those Of Us Who Are Older

By Janet D. Lake

Is the summer looking long and lonely ahead of you? Have you thought of The Haven as a happy place to meet and make new friends? Renew old acquaintances? It is there — on Essex Street and it is waiting for you! It is open every weekday from 9 to 4. Why not stop by the next time you're in the center of town and get acquainted!

There are many pleasant things to do at The Haven. On Mondays, for example, there is an arts and crafts class where you can receive instruction or assistance in just about any craft medium you're interested in. At the same time there is also a group learning and playing bridge — that absorbing, interesting game that is such a good passtime.

Tuesdays there is instruction in Line Dancing, which is particularly fun because you don't need a partner. You can come by yourself and participate. No need to ask or be asked to dance. It's everyone on the dance floor together — good exercise and happy companionship.

The Haven has some trips lined up, too. July 19 is the date for "A Day at the Beach" — Hampton Beach, that is. You leave The Haven at 10 in the morning and they'll have you back by 3:30. Long enough to enjoy the sun and the fresh salt air, without being an exhausting day and the cost is only \$3. Of course that does not include your lunch, but you could pack a picnic lunch or buy it at the beach. Be sure to let The Haven staff know you want to be included. Reservations are absolutely required.

A trip to The Fenway for a Red Sox game is scheduled for August 10. Tickets are available at The Haven and the cost includes transportation.

And while you are at The Haven find out about the down-East trip to Rockport, Maine. This one is for a few days, not just a day-trip and is slated for Aug. 21-23 with a delightful stay at the Treadway Samoset resort. There are sightseeing opportunities and a harbor boat ride as well as a lobster and clambake.

The Haven is your place to go in Andover. Supported by the town, it is designed for Andover's elder residents and provides access to many social services as well as recreation. Try it — you'll like it!

Girls' Softball League Underway

Andover's entry in the Middle Essex Girls' Softball League holds promise as the 1978 season opened on Monday, June 26 with all teams but the home club playing. Due to scheduling oddities, Andover's games are all away until July 12 at South School playground.

The 1978 version of the team has a group of new players gathered under the guidance of the young coach from West Andover, Paul Girard.

Newcomers Linda Briggs, Paula Caplan, Susan Dunn, Linda Weiner, Robin Weiner and Dianne Giammasi, a transfer from last year's Billerica team, constitute the excellent supporting cast for returning

Reynolds, Janet Fluett, Anne Marie Grogan, Jennifer Joslyn, Moira Shwing, and Kelly Shannan, all of whom show marked improvement after their full 22 games last season, and the sparkling performances of Briggs, Caplan, Dunn, the Weiner sisters, Giammasi, Doherty, Kubacki, Price and Wilson, the 1978 club veterans Lisa Peters, Judy Girard, and Lisa Reynolds, who were League All-Stars in '77. Fran Doherty, Chris Kubacki, Jen-

nifer Price, and Kristen Wilson, also new faces in the roster, fill out a team that finished in the cellar of the league last year.

The United States imports nearly half of the petroleum it consumes and that cost comes to more than \$45 billion annually.

With the experience of Peters, Girard, looks a sure bet to make a run for the league title this year.

The league consists of teams from Andover, Burlington, Billerica, North Reading, Stoneham, Wakefield, Tewksbury, Woburn and Wilmington. Games start at 6 p.m.

THE TOWNSMAN, JULY 6, 1978

Camp Y-Wood, the Greater Lawrence YWCA Day Camp for girls, has started the 1978 summer session with full enrollment.

The camp is directed by Mrs. Albert Retelle of 64 Reservation Road. She has been with the camp since its founding in 1958 and has helped to develop the nineteen acre site in Salem, N.H. since its purchase. A staff of seven adult counselors and seven junior round the staff.

Other staff members from Andover - North Andover are Norma DeFusco, Gemini Circle, assistant waterfront director, who is a student at Green Mountain College and holds her WSI Red Cross rating. She attended a three day YMCA Water Instructor's Institute with Y-Wood's Waterfront Director before camp opened.

Paula Fluet, Beacon Street, is arts and crafts director and has planned a summer program to include basketry, mosaic tiling, decoupage and weaving.

She has been associated with the camp for eight years as a camper, counselor-in-training and staff member.

Kathleen Byrne, West Parish Drive, is camp nature counselor and seven-year-old unit leader. She has had extensive camping experience and worked in recreation programs. She has planned many nature crafts in conjunction with the camping skills program.

Junior counselors from Andover are Janet Fluet, Julia Retelle, Debbie Hughes and Cheryl MacDonald from North Andover. They are trained Red Cross

lifesavers and have passed an Instructor's Aide Course.

Campers the first period from Andover are: Anne and Sandra Comstock, Sarah Dix, Gail Irish, Courtney Rogers, Whitney Camasso, Gillian Mahon, Joanne Hopkins, Lori Thayer, Debbie Mavoikos, Kyle Marjerison, Jodi Finnagan, July, Julie and Linda DeForest, Rachel Fluet and Jean

Guliette.

Andover teenagers in the Counselor-in-Training program are Jody Bellegarde and Elise Moodie.

Campers have a full day of swimming, sports and craft activities with cook-outs each week. Milk is served through the Summer Special Milk Program each day. A few openings are available for the

Donald H. Nickerson, Andover resident, has been elected to the board of directors of the Administrative Management Society, an international, non-profit management association with headquarters in Willow Grove, Pa.

Nickerson was born, raised and educated in Massachusetts. His studies at Bentley College, Waltham, and Babson College, Wellesley, led to A.S.A., B.S.A., and M.B.A. degrees. He joined Polyvinyl Chemical Industries Chemical Industries, a Beatrice Chemical Co. Division of Beatrice Foods Co. as manager of accounting in 1968 and was made controller March 1 of this year.

Nickerson served in the National Guard from 1954 to 1960. He is active in church affairs, currently contemplating a trip to several South American countries this fall with a group to study church mission projects.

Nickerson has served the Boston Chapter of the Administrative Management Society in many capacities - as president in 1975-76 - and won the AMS Diamond Award in 1975 and the Special Presidential Award in 1977.

Mr. Nickerson lives with his wife, Roxann, in Andover. They have three children - Erick, Kurt, and Krista.

Ruthers Lose Three To Montreal

By Rick Harrison

The Andover Babe Ruth baseball team found its Canadian counter-parts rude hosts this year, as the locals managed just one victory in four games during the team's sixth annual trip to Montreal last weekend.

Andover opened with a tough, well-played 4-2 loss to the NDG Senators of north Montreal Friday night under the lights at Loyola Park.

Saturday afternoon Andover, starting its younger players and facing a 17-year-old pitcher, was soundly beaten 8-1 by Salaberry at Wilson Park in the east part of the city.

On Sunday evening Andover bounced back to thrash the same NDG Senator crew 9-2 at Loyola Park, and Monday afternoon at Gadbois Park in south Montreal the Southwest Royals rallied from an early 7-1 deficit to nip Andover, 9-8.

The results left the locals with an overall 8-4 record against Canadian teams over the years, while the Andover record for this season now reads 7-9.

In addition to playing the four games, members of the Andover group also went to "Man and His World," attended a Montreal Expos game at the Olympic Stadium, and had free time in downtown Montreal.

Players who made the trip were Wayne Merola, Fred Foote, Ed Powers, Rich Grimm, Tim Grams, Jason Powell, Jon Pelletier, Jeff Demers, Andy Emmert, Jim MacMillan, Matt Wells, Chris O'Reilly, Bob Patterson, Bill Stahley, Brian Kelly, Lary Larrabee and Dan Grams.

Lary Larrabee became the first "casualty" during the Montreal trips, suffering a broken right wrist.

NDG Senators, 4-2

NDG pushed across a pair of runs in the bottom of the sixth inning to snap a 2-2 tie, winning the game despite being outthit 6-2.

Andover received an excellent pitching performance from right-hander Bob Patterson, a 15-year-old who would have been a member of the team this summer had he not moved to New Jersey.

Patterson tossed a two-hitter, struck out 11 and walked only three in a route-going effort.

NDG countered with a pair of hurlers, 17-year-old Steve Fletcher and Jean Clavel. They pooled talents for a six-hitter, whiffing six and issuing just two free passes.

NDG grabbed a 1-0 lead in the first when Bryce Campbell walked, took second on an error, third on a wild pitch, and scored on an infield out.

Honored

Friends of Gertie Gross of 34 Dale St., Andover celebrated her 70th birthday last Saturday and Sunday in Ballardvale.

Mrs. Gross, wife of the late Frederick Gross has lived in Ballardvale for many years making many friends with her friendly, gracious personality.

The score remained that way until the fourth, as Patterson and Fletcher matched no-hitters over the first three frames.

Andover took a 2-1 edge in the top of the fourth, scoring twice on four singles by Jon Pelletier, Dan Grams, Brian Kelly and Jason Powell.

Patterson, who had faced just 10 batters and struck out five in the opening three frames, was touched for an unearned run and lost his no-hit bid in the bottom of the fourth.

Clavel led with a walk, Maurice Robin reached on a one-out error, and then Tom Kyriopoulos bounced an RBI single to rightfield.

Patterson breezed through the fifth, but in the sixth Serge McLean led with a double and Clavel drew another walk. The pair worked a double steal, a wild pitch plated the winning run, and the insurance tally scored on a suicide squeeze bunt.

With two down in the seventh Andover mounted a mild threat when Tim Grams singled and Patterson walked.

Clavel bore down at this point, however, ending the game on a bouncer back to the mound.

Dan Grams hit into tough luck during the game, lining viciously into a doubleplay in the first as Clavel made a fine grab at third base, and lining out to deep centerfield to start the sixth.

Salaberry, 8-1

Andover faced another 17-year-old hurler the following afternoon, and couldn't do a thing against righthander Stash Micitor.

He handcuffed the locals on two hits, striking out 10 and walking none. He ended the game in style by fanning five of the last six Andover hitters.

Salaberry gave Micitor, a high school senior, an 8-0 lead to work with by the second inning.

The locals, starting their younger players, were guilty of several errors and mental mistakes that enabled Salaberry to construct its big lead quickly.

Ed Powers was the victim of the breakdown, pitching better than the final score indicates. He allowed 10 singles, several of the "seeing-eye" variety, and didn't walk a batter.

Powers set down 11 straight batters during one stretch, and after the first two disastrous innings he permitted just one single the rest of the way.

The only two hits for Andover were an opposite field double by Wayne Merola

leading off the fourth, and a line single to leftfield by Fred Foote with one down in the fifth.

Merola scored the lone run after his double, taking third on Lary Larrabee's infield out and scoring on Bill Stahley's infield out.

Andover's only other threat came in the fifth when Foote singled. He took third on a balk, Jon Pelletier reached on an error, and he then stole second base.

Micitor worked free, however, when Dan Grams popped to first base and Jason Powell grounded out to third.

Micitor retired Andover 1-2-3 in the other five innings, setting down the first nine batters he faced and the last six.

Top guns for Salaberry with two singles apiece were Akie Tsekos, Yvon Brousseau and Andre Griman.

Andover pulled off a crisp doubleplay in the sixth from Powell to shortstop Dan Grams to first baseman Fred Foote.

Andover, 9-2

Fred Foote (2-0) fired Andover's second two-hitter of the trip, and he came out a winner as the locals avenged their earlier loss to the NDG Senators with a 9-2 triumph on Sunday.

Foote, who walked four and struck out four, was working on a no-hitter into the fifth and lost the shutout when NDG tallied a pair of unearned runs in the bot-

tom of the seventh.

The Senators used four different pitchers, including Jean Clavel who had

been effective against Andover Friday night.

The locals took a 3-0 lead in the second, sending nine men to the plate, but they also left the bases loaded.

Bill Stahley walked to open the stanza, and with one out Brian Kelly ripped an RBI double to centerfield.

Foote reached on an error, Jake Powell walked to load the bases, and then successive walks to Jeff Demers and Wayne Merola forced in two more runs.

The lead jumped to 5-0 in the third, Stahley singled to center, but was erased at second when Rich Grimm bounced into a force out.

Brian Kelly belted a long run-scoring triple to leftfield, and Foote helped himself with a sacrifice fly to center.

Wayne Merola singled to open the fourth, stole second, reached third on a wild pitch, but died there following two popups.

Andover netted three more runs in the fifth on a walk, a stolen base, a wild pitch, an error, a fielder's choice and a double by Foote. The wild pitch produced two runs thanks to hustling baserunning by Kelly and Foote.

The final marker came in the sixth when Bob Patterson hammered a one-out triple to leftfield and scored on a passed ball.

Andover jammed the bases in the seventh against Clavel. Ed Powers and Larry Larrabee laced leadoff singles. Andy Emmert flied deep to rightfield and the next batter fanned, but a walk to Tim Grams kept it going before another strikeout ended the threat.

Two outfield errors gave NDG its only two runs in the bottom of the seventh.

Tom Kyriopoulos singled in the fifth for the first NDG hit, and Clavel also had a single for the Senators.

Wayne Merola and Dan Grams played strong defensive games at third base and shortstop respectively.

Southwest, 9-8

Southwest, an older team comprised entirely of Midget Division (16-18 year old) players, rallied for five runs in the third and three more in the fourth to overcome Andover, 9-8.

The locals had things all their own way at the start, although the early 7-1 score could have been much worse had Andover not left the bases loaded in each of the first three innings.

Dan Grams opened the contest with a single to centerfield. He stole second and third, Jake Powell walked and stole second, and then Jon Pelletier walked.

Bill Stahley bounced a one-out RBI single to centerfield, and two-out walks to Tim Grams and Jeff Demers forced home a pair of runs.

The Royals retaliated with a run off An-

dover starter Jon Pelletier in the bottom of the first, parlaying a single by Leon Courlisior with two Andover errors.

In the top of the second Powell walked, Pelletier singled and Brian Kelly walked to load the bases. Stahley and Rich Grimm drew walks to forced in runs for a 5-1 Andover edge, but the next two batters struck out.

With one out in the third Dan Grams singled, Powell walked for the third straight time, both advanced on stolen bases, and Pelletier stroked a two-run single.

Brian Kelly was then hit by a pitch, Rich Grimm drew a two-out walk, but a strikeout again kept Andover from really blowing the game open.

Four walks, an error and Terry Paquette's single combined to produce five runs for Southwest in the last of the third, cutting the score to 7-6.

The Royals struck for three unearned runs with two down in the fourth, and that proved to be the difference.

Andover closed to 9-8 in the fifth when Bill Stahley clouted a one-out triple to rightfield, and crossed on Andy Emmert's looping single to left.

Walks to Grimm (his third) and Jeff Demers loaded the bases, but for the fourth time in five innings a strikeout ended any further activity.

Andover wound up stranding 13 baserunners in the game.

The eight-hit Andover attack was led by Pelletier, Stahley and Dan Grams with two safeties apiece, while Powell and Emmert added solo hits. Pelletier also scored three runs, Powell two and Grams two.

Southwest managed only five hits, but four Andover errors and seven walks helped considerably.

There were 20 walks altogether in the contest, as Royal hurlers issued 13 free passes to Andover including three each to Powell and Grimm and two to Demers.

Batting Stats

Bill Stahley and Brian Kelly led the Andover hitters on the trip with .429 averages while Jon Pelletier, Bob Patterson, Andy Emmert and Larry Larrabee all hit .333.

Wayne Merola and Dan Grams hit .300, Fred Foote .286 and Jake Powell .250.

The team average on the trip was an even .250, as the players lashed 24 hits in 96 at bats.

Andover was outscored 23-20 in the four games.

Horse Show To Be In Boxford

A horse show will be held in Boxford to benefit the Boxford Trails Association. Located at the William Sullivan's, 186 Main St., Boxford, the show will start at 9 o'clock, Saturday, July 8.

There will be equitation, pleasure, and other classes in English and Western in the ring with jumping and hunter classes on the outside course. The classes are to be divided into all age groups and abilities including adults. An obstacle course for trail class and some games will be run also.

Marjorie Kittredge of Windrush Farm and Nancy Merrill of Boxford are the co-chairmen.

Contact Mrs. William Fortey, 19 Curtis, Rd., Boxford, for class lists and information.

Monahan Athletic Director

President John A. Coughlan, O.S.A. announces that Frank T. Monahan has accepted the position of Director of Athletics at Merrimack College to succeed the late J. Thom Lawler.

"Thom Lawler really carried Merrimack College sports up to the top spot," says Monahan. "I intend to keep them there."

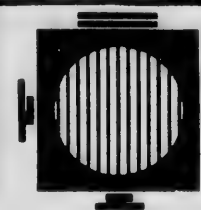

A 1962 graduate of Merrimack, Monahan's most successful coaching career began at Bishop Brady High School in Concord, N.H. in 1964.

In 1968, he moved on to Concord Senior High and returned to his alma mater, Merrimack College, in 1970 where he has been employed as assistant athletic director and varsity basketball coach.

In addition to his duties as athletic director, Monahan will continue in the varsity basketball coaching position.

The Boxford Trails Association was formed to preserve the existing trails in Boxford and create better communications between landowners, new developers, and horsemen.

Pre-School Play Group Planned For Fall

Beginning September 1978 the Andover-North Andover YMCA will conduct, for the second year, a co-operative Pre-School Play group for boys and girls 3-5 years of

age. The group will meet three mornings a week, Monday, Wednesday and Friday, 9-11:30 a.m. for three tenweek periods which are coordinated with the Y's term periods.

Director Mary Driscoll will play and supervise the program with the assistance of mothers. Organized crafts, stories, quiet and active games, trips, outdoor activities, etc. will be included in the program. Also available for the play group is the YMCA pre-school gym equipment

and 45' x 75' swimming pool. Under the supervision of trained instructors, swimming is scheduled once a week. The three-year-olds will have an informal swim and with emphasis on "adjustment to the water" and formal swimming lessons will be substituted for those four years of age and over. A mid-morning snack of juice and crackers will be provided for each child.

Call the YMCA for details. Registrations are now being accepted for the Fall 1978.

"It Feels Great To
Look Good Again"

"Before I joined the Gloria Stevens diet and exercise program, I couldn't even think about wearing any of the latest fashions. But after three months at Gloria Stevens, I lost 28 lbs and 45 inches. It was great to be able to wear the latest styles again. Now after one year, I have been able to keep my present weight of 125 lbs. I feel and look 100% better and now have the ambition to do the things I enjoy. I really believe that Gloria Stevens' diet and exercise program did it all, because I couldn't do it on my own. And, the new outfit I am wearing was purchased by money I earned from Gloria Stevens for introducing others to the program. Gloria Stevens has sure paid off for me, in more ways than one."

Andover Visit

(Continued from Page 12)

Gloucester.

"By Monday some of the Andover (Hants) party made changes of hosts but for my part, I drove to Long Island, N.Y., to spend six days with an old family friend.

"During that time we visited Harlem, the Bronx, Brooklyn, Madison Square, Broadway and most important of all, went to the top of the World Trade Centre skyscraper (height 1,310 ft.). Later we went to the John F. Kennedy Airport and La Guardia Airport.

"At the end of the second week we joined the Andover party at Rotarian Mansour's on the York, Maine coast at his summer residence and that evening attended a 'clam bake' at Bill Foster's in York, Maine.

"We were entertained by a group and much later during the evening everyone was treated to vocal rendering from our own president, Rtn. H. Baker, with various Army songs!

"Most of the party stayed in York for the weekend in various houses and some at Hugh Baker's daughter's house who lives in York, Maine, all the party meeting again on Monday night at Logan Airport.

"The flight was delayed by torrential rain after a very hot and humid day, the party arriving back at London Airport on Tuesday morning.

"My impressions of the United States were — cleanliness of the country; the beauty of Andover, Mass., and its surrounding districts; the welcome we received in Andover by the residents and officials we met.

"In fact on the last morning I had great pleasure in being introduced to Robert Finneran who is the editor of 'The Townsman' and given a conducted tour of the Andover Police Station by the Chief of Police, Chief Nicoll.

"My host in Andover, Mass., was Derry Lewis who is the Ford dealer, and my impressions as a motorist were the excellent lane control which all motorists observed, the ease in which we were able to drive long distances on the state highways and the extreme courtesy which we, as visitors, received from everyone we met in the States. It was a holiday of a lifetime I shall never forget."

A graveside service was held Wednesday at 2 p.m. in Spring Grove Cemetery, Andover.

Funeral arrangements were under the direction of the Lundgren Funeral Home Inc., 18 Elm St., Andover.

JOHN W. FRANCIS SR.

John W. Francis Sr., 69, 30C Washington Park Drive, Andover, a retired bank branch manager and assistant treasurer, died Friday at Bon Secours Hospital after a short illness.

Born in Dorchester, March 6, 1909, he was a former resident of Dennisport for 26 years until moving to Andover a year and a half ago. Mr. Francis was associated with the Merchants Bank and Trust Company of South Yarmouth as a bank manager and assistant treasurer for five years and was in the banking services for over 16 years before retiring in 1974. He attended Holy Trinity Church of West Harwich, and was a member of the Harwich-Dennis Rotary Club; the Dennis Chamber of Commerce; the Dennis Appeals Board and Advisory Board; a former member of the Dennis school committee for six years, having served two terms as chairman; and was a past president of the Dennis Little League. He was a veteran of World War II, serving six years in the U.S. Army as a Second Lieutenant.

Survivors include his wife, Helen M. (Wagner) Francis; a daughter, Miss Diane V. Francis of South Yarmouth; two sons, John W. Francis Jr. of Ottawa, Canada and Brian J. Francis of Andover; a sister, Mrs. James Powers of Dorchester; a brother, Albert S. Francis of Brockton; a grandson and several nieces and nephews.

LEANDER G. YEATON

Leander G. Yeaton, 81 Chairman of the Board of J. F. Bingham Mfg. Co., of Lawrence, died Tuesday in Atlantis, Fla., after a long illness.

Born in Mercer, Maine, the son of Clair G. and Ethel (Tibbetts) Yeaton, he was a fifty-year resident of Amesbury, and was educated in Amesbury schools and Williston Academy, Easthampton. He was

a resident of Florida since 1951. Mr. Yeaton was associated with several manufacturers including the Biddle & Smart Co. of Amesbury and was chairman of the board of the Bingham Mfg. Co. of Lawrence. He was a veteran of World War I, serving in the American Expeditionary Forces. During World War II he served as assistant to the chairman of the War Production Board and was cited by President Franklin D. Roosevelt for his services. He was a life member of Warren Lodge A.F. & A.M. and of St. James Episcopal Church, Amesbury. Burial was in Union Cemetery, Amesbury.

COL. JOHN F. LOYE JR.

Col. John F. Loye Jr., (U.S.A.F. Ret.) 51, 1612 Cyprus Court, Riverdale, Ga., a former Andover resident and retired Air Force Colonel, died June 29 in Atlanta, Ga., as a result of injuries suffered in an automobile accident.

Born in Lawrence, June 17, 1927, he was a graduate of Phillips Academy, the United States Military Academy, West Point; received a master's degree at Syracuse University; was a graduate of George Washington University, Alabama; and received a doctorate degree in educational administration at Florida State University.

Col. Loye was a retired U.S. Air Force Colonel, serving for 26 years before retiring in 1976, and was associate professor and chairman of the Division of Business at Clayton Junior College, Morrow, Ga., at the time of his death. He was a veteran of World War II, serving in the U.S. Navy before joining the Air Force in 1950. He had attended St. Laurence's Church while living in Lawrence.

Survivors include his wife, Jayne A. (McKallagat) Loye; a son, Lt. J.G. John F. Loye III, of Charleston Naval Station, S.C.; two daughters, Mary Catharine and Tamara Jayne Loye, both of Riverdale, Ga.; an aunt, Mrs. Margaret Greenwood of Lawrence; and several nieces and nephews.

A funeral mass was offered Monday at 10 a.m. in St. Laurence's Church. Burial was in St. Mary's Cemetery.

Feeder For Harvard

During its first 32 years, Phillips Academy had enrolled 1031 students, and 371 had gone on to college. Of those, 302 had went to Harvard.

However, Harvard's increasing learnings toward Unitarianism caused a decline, so that during the reign of Headmaster John Adams (11810-1830), 143 chose Harvard — but 137 chose Yale, 83 Dartmouth, 45 Amherst, 43 Brown, 36 Union, 23 Middlebury, 13 Williams, and 15, others.

Youth Working In Appalachia

A group of 16 junior and senior high young people from the West Parish Church in Andover left June 28 for a two-week trip to Huttonsville, West Virginia, where they will participate in a work camp. The group is led by Rev. David Duncan, associate minister at West Parish.

"It should be an exciting, educational opportunity for our young people, noted Rev. Duncan. "Most of our group have not traveled very far from New England. This trip will give them a chance to meet and work along side of people whose lifestyles are quite different from their own." The group will also have a chance to meet young people along the way, with stops planned in Scranton and Harrisburg, Pennsylvania, Washington, D.C. and

Morgantown, West Virginia.

The work camp is located in the midst of the Appalachian Region. They will work in four small towns along the Tygard River in Randolph County. The area is rural with a disproportionate number of persons living on inadequate incomes. The young people will be involved in a variety of work projects while they are there: painting doing minor home repairs, working in the cooperative food and clothing centers, helping with day care and a vacation Bible school. Rev. Duncan noted that "not only will our kids get a chance to learn about themselves and other people, but they will have an opportunity to reach out and work with other folk in very specific ways."

The young people making the trip are: Faith Barnard, Laura Foley, Gene Harris,

Jim Kimball, Jim Klockow, Andy Maxfield, Betsty Morris, Gail Nelson, Donna Paro, Tina Peek, Janet and Karin Perry, Diane Serley, Scott Shupe, Pam Weidman, and Stephanie Wilson. Assisting Rev. Duncan are Margaret Serley, Debbie Westaway and Martha Viehmann.

Rev. Duncan said that several young people are giving up regular employment for the two weeks or cutting short their vacations in order to participate. They will return July 12 and plan to share their experience with the congregation and any other interested group. The trip is made possible through the sponsorship of the West Parish Missions Council and individual contributions to the church's Summer Program.

Work Continues On Water Problems

23

The ANDOVER TOWNSMAN

The Second Front Page

JULY 6, 1978

Computer Report Is Due

The Computer Advisory Committee, which has been studying the town's data processing needs for the past several months, is about to make its recommendations to the town manager and selectmen.

Updating the town's computer needs is tied in with the needs of the school department and the new equipment to be purchased, is expected to be eventually used for all phases of municipal operations.

Actual recommendations by the committee are about three weeks off, according to Town manager Jared S.A. Clark, but the town and school department will now be planning on the phasing in of the town's needs to the computer.

Clark said that most all the town's financial applications would be on line by the end of the current calendar year, including those of the school department.

As for other school-oriented matters, such as computer managed instructional or educational data and report card processing, these would be phased in over a period of time, with hopes of getting on line by the end of the calendar year.

Use of the equipment is expected to provide for more responsive financial planning and improved billing procedures.

Equipment now being used for such work is old and outdated and cannot adequately meet the demands of modern financial record-keeping.

Shawsheen water problems seem to be a bit better this week, as the effort to improve water quality there continues by department of public works crews.

There will be no foam-plug cleaning efforts this week, due to the difficulties involved in dealing with the Fourth of July holiday, according to Public Works Director Robert E. McQuade.

The pipe cleaning process will be resumed next week, which could result in dirty water conditions again in the village.

McQuade said that since the use of the foam-plug method of cleaning requires consistent effort, the holiday would have broken into the work, thus the decision not to do any further work this week. Crews are doing some work on hydrants in the area, however.

The new method, employed in an effort to avoid a million-dollar pipe replacement project for the village, involves the insertion of a plastic foam plug into the lines which scrapes scale and other buildup from the pipes.

The work has resulted in the water being delivered to the homes in the area almost black, and while it is deemed safe for human consumption, appearance alone makes it unpalatable. The conditions also have effected laundry and appliances in some of the Shawsheen homes.

McQuade said Wednesday that over the past weekend, conditions seem to have improved.

There are two or three homes in the low service area of the water lines still having serious problems and the DPW will be concentrating in that area.

The DPW director said that it is baffling as to why there is a concentration in the particular sector. Homes across the street are not bothered by the dirty water conditions.

As for the annoyance, McQuade said that most of the people have been very cooperative and understanding of the long-standing problem in the Shawsheen area.

"But some are really upset and I can't say as I blame them," the director said as he emphasized the concentrated effort planned to thoroughly clear up the problem.

The new pipe-cleaning method has been used in metropolitan areas to resolve similar conditions and has proven successful.

Employment of the foam-plug method here is a last resort. If the problem continues, Town Manager Jared S.A. Clark said he would recommend a complete replacement of pipes in the Shawsheen area, a project which would cost in excess of \$1 million.

The problem has been plaguing the Shawsheen area for over a year with engineers and consultants examining the situation in an effort to get at the source of the condition, all to no avail.

Fourth Events Cancelled

For the first time since its inception nine years ago, Andover's Fourth of July program was cancelled Tuesday due to rain.

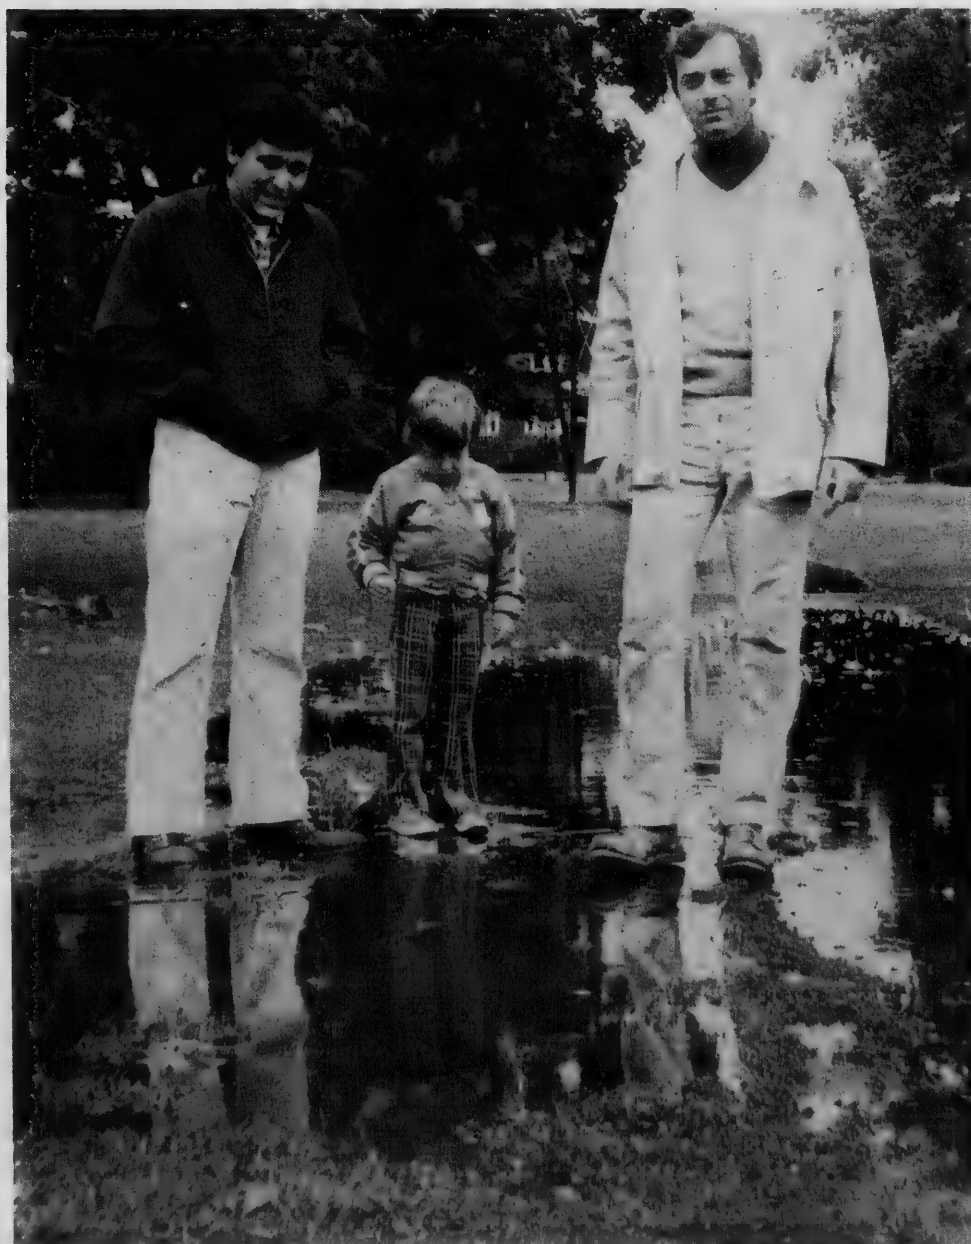

The Andover Jaycees, which conducts the program for the town, did manage to get in the traditional fireworks display, much to the delight of hundreds who came to town from throughout the area to view the only display scheduled in the vicinity, the holiday night.

John Hoskings, general chairman for the Jaycees said that the events scheduled for the playstead and park during the afternoon and evening had to be cancelled including the clambake-barbecue, due to the rain and commitments by those who were to provide the rides and other scheduled events.

Tickets for the clambake and barbecue may be redeemed at the Sports Shop.

Decision to go ahead with the fireworks display was made when a break in the weather was forecast for Tuesday night. The contractor indicated he was prepared to go ahead with the display.

Adding to the decision to proceed with the display was the number of calls being received by Andover police relative to whether the display would go off or not. Hoskings said that police had advised him at mid-afternoon that they were getting an average of a call a minute wondering about both the clambake and the fireworks.

Cancelling Celebration

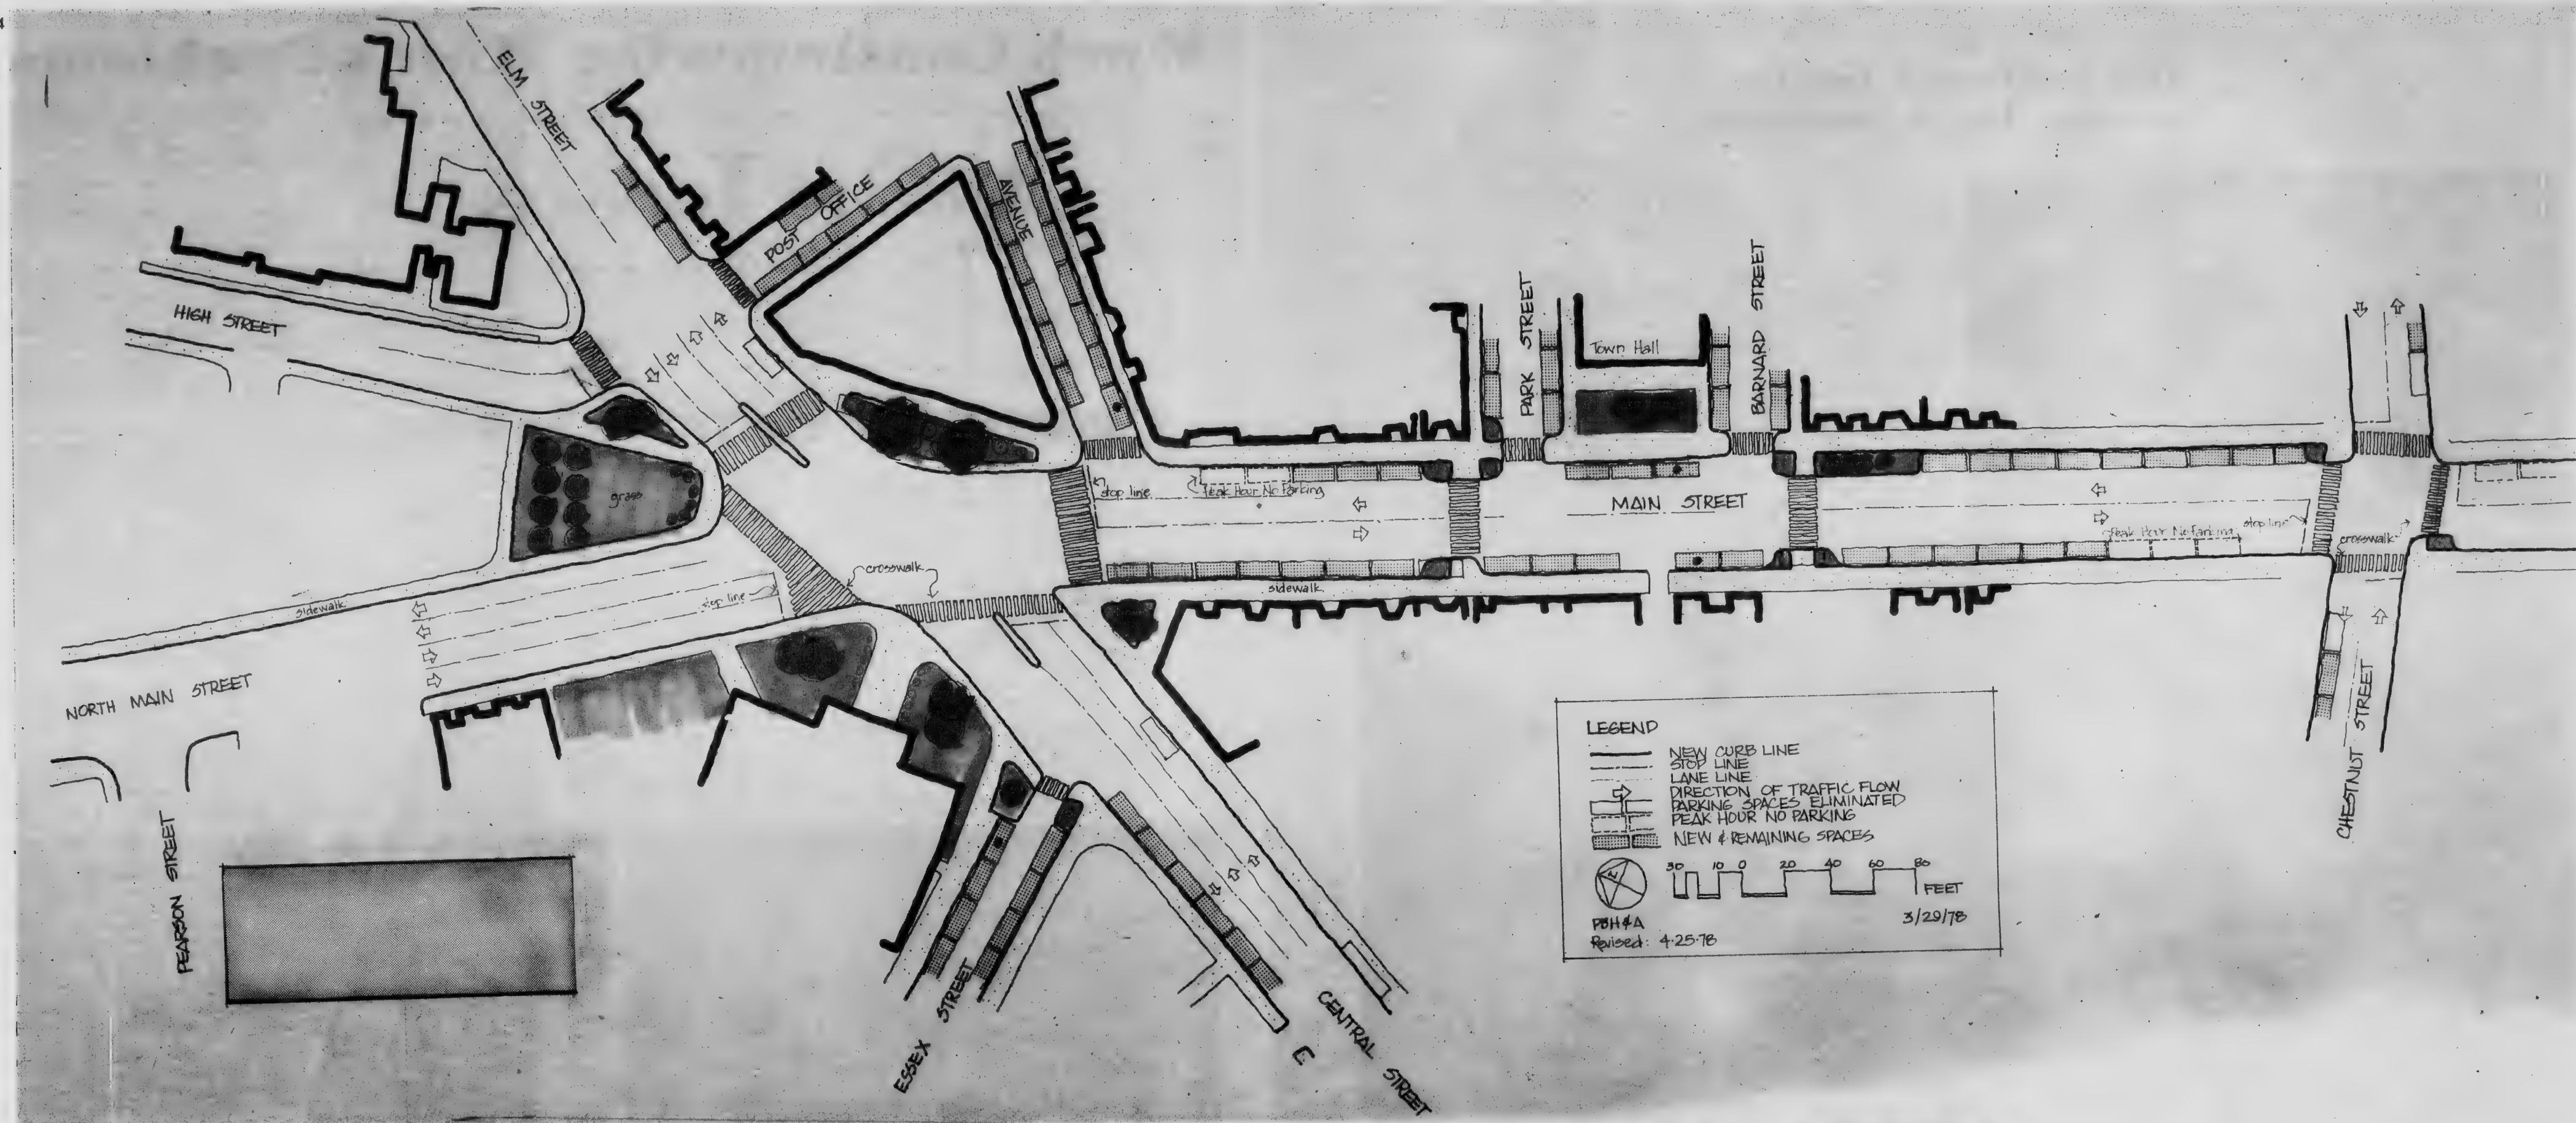

Robert Dalton, with son, Robert Jr. and John Hoskings, who headed up the town's annual Fourth of July celebration check over the puddles in the park at mid-afternoon Tuesday, amid the continuing downpour which forced cancellation of the holiday activities.

Coleman To Oppose Cohen

As of late Wednesday, the final day to submit nomination papers for state office, State Rep. Gerald M. Cohen was the only Democratic candidate for that office which now includes a portion of the Tower Hill section of Lawrence.

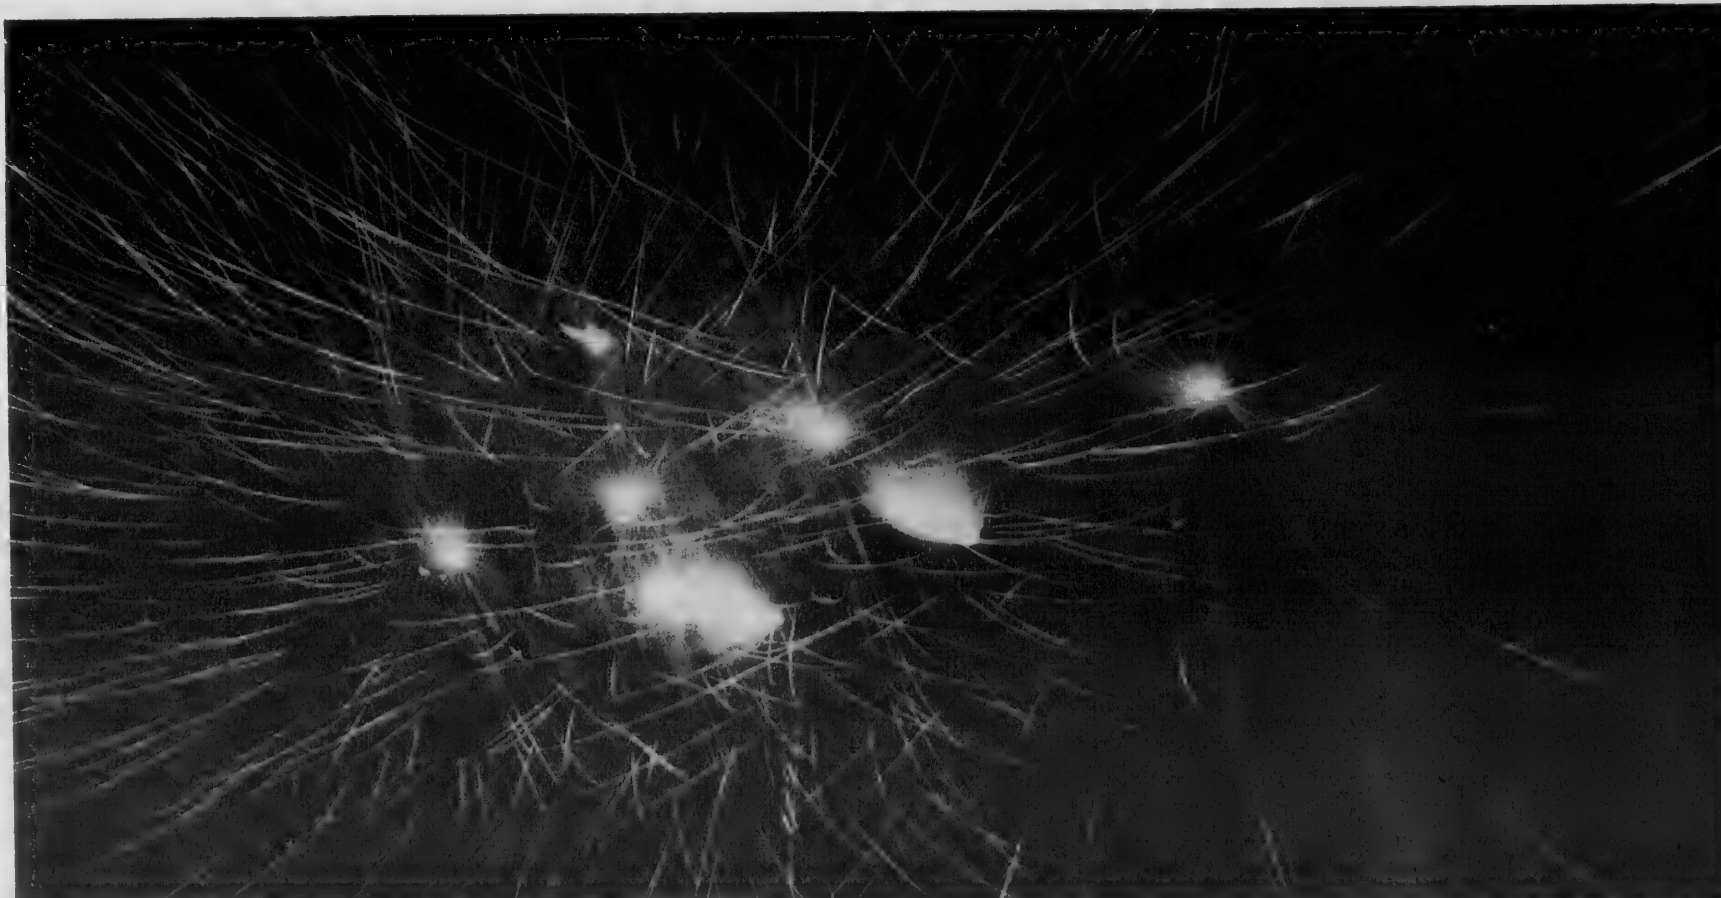

Donald Coleman of High street, had filed nomination papers seeking the Republican nomination to oppose Cohen in the state election in November.

Meanwhile, Town Clerk Elden R. Salter was busy throughout the day, getting nomination papers in order for a host of other candidates seeking senate, congressional and other state offices.

Raining Fireworks

Andover Jaycees managed to get in the traditional fireworks display Tuesday night, despite being rained out of the afternoon and evening program. Residents were joined by hundreds from surrounding areas for the display, Andover being one of the few communities to go ahead with the fireworks. Two-year-old Aimee and Alfredo Concepcion of Woburn seem to enjoy the display, despite the raindrops.

Elm Square Traffic Plan

Under consideration for traffic improvement in the Elm Square, Main street area of downtown Andover, is this plan which has been submitted to state department of public works authorities. Main effort of the plan is to relieve the confusion in the Elm Square area, by extending the sidewalk in front of the Musgrove building and at High and Elm Streets, to realign traffic flow. New traffic lights would be set up to allow traffic to proceed on sequential cycles from the Elm-High street and Central street areas. Andover administrators are attempting to obtain state funding for the project, which also includes installation of ramps at crosswalks and possibly moving of bus stops.

Wins Trophy For Citizenship

Cheryl Renee Pruneau of Andover was a finalist in the Miss Massachusetts National Teen-Ager contest recently, and won a giant trophy for Citizenship. The daughter of Mr. and Mrs. Richard Pruneau, she will be a junior at Andover High, and is the student representative to the town-wide School Building Committee. She also wrote an Andover High column for the TOWNSMAN during the past school year.

Representing U.S. In Belgrade

Kathleen Lyons, daughter of Mr. and Mrs. Thomas Lyons of Andover, and an upcoming 10th grader at Phillips Academy, is on her way to Belgrade, Yugoslavia, this week, to compete with the U.S. National Junior Women's Rowing Team in the World Championships. Just completing her first year of rowing, Kathy qualified for the team at trials in Seattle in June, and at 15, is among the youngest members of the national team.

Down The Years With The Townsman

27

THE TOWNSMAN, JULY 6, 1978

75 Years Ago — July, 1903

At the Monday meeting of the Board of Selectmen, the only business transacted was the issuing of licenses to local vendors for the sale of fireworks.

Smith and Bingham of Lawrence ripped up the old concrete from the corner at Currier and Campion's store to the library and are replacing it with new. Under the direction of Supt. Lovejoy they are using broken stones, instead of cobble stones formerly used as the former will pack together and last longer.

John Nolan of Mineral street, Punchard '02, and a returning senior at Dartmouth, will sail on the Commonwealth, Thursday for Europe. With several other Dartmouth students, he will make a tour of the continent before returning to classes.

Dana Chase, a clerk in Valpey's store, has purchased a lot of land on Wolcott avenue and is planning to build a house in the near future.

Considerable preparations were made by young men in Abbot Village for the monstrous bonfire planned for the night before the Fourth at the end of Cuba street. The conflagration eclipsed any of the efforts of past years.

50 Years Ago — July, 1928

The Christ Church Choir Boys left Saturday morning for Revere Beach where they are spending the week at Mother's Rest Camp. The boys are under the careful guidance of Robert Deyermund, Archibald Davidson, William Nicoll and Kenneth Wallace.

The Andover Garden Club has undertaken to assist the Benevolent Fruit and Flower Mission in Boston, which distributes flowers to the sick and needy in Boston.

John Buss, popular singer, is visiting at his home on Essex street. He will appear at the Palace theater in Lawrence Sunday in a harmony singing act. He has been making a tour of the Keith theaters and spent the holiday in town.

James Tammany, son of Mr. and Mrs. William Tammany of North Main street, was presented with his first class pin and certificate at the meeting of Boy Scout Troop 7, St. Augustine's school, Monday night. John P. Alexander made the presentation.

Sgt. James Napier of the police force began his twentieth year on the department Sunday night. He was a reserve patrolman for three years before being ap-

pointed a regular 19 years ago this week. He became sergeant about six years ago.

25 Years Ago — July, 1953

Building permits issued during the month of June ran considerably ahead of those of a year ago, with \$277,800 in new homes authorized. Several of the new homes are in the \$30,000 price range.

A photograph of the chapel at Phillips Academy is included in a new color brochure printed and distributed by the Essex County Associated Boards of Trade.

The fly is among the more alert creatures; it is capable of distinguishing accurately between events which are separated by one two-hundredths of a second or less, Massachusetts Audubon tells us. Carter Is Losing Energy Crisis War

WASHINGTON — President Carter has called the energy crisis the moral equivalent of war. But it is a war he is losing. He has failed to get Congress to approve his energy program. He is six months behind schedule in storing emergency oil.

Yet Americans keep consuming more gasoline. They are expected to break all records this summer. Already, the United States is importing more than eight million barrels of crude oil every day.

This has made the United States dangerously dependent upon overseas oil fields. The Joint Chiefs of Staff refer to the oil shipping lane from the Persian Gulf as our "jugular vein." And they have warned the president that our jugular vein is vulnerable to Soviet attack.

Carter has also ordered the National Security Council to assess the effects that another oil embargo would have on the United States. The secret study was not cheerful. An embargo would leave Americans desperately short of the energy they need to heat their homes, run their automobiles and operate their factories.

Yet it will take more to prevent an oil drought than switching off lights and insulating homes. It will take a drastic overhaul of the whole American lifestyle. Still, Americans go about their business blissfully as if there were no energy threat. In fact, their thirst for oil has in-

creased each year.

The Energy Department is largely to blame for failing to come to grips with the problem. Its officials have spent more time drafting forms and regulations than reducing our dependence upon oil imports.

Some of the forms have been so incomprehensible that gas stations simply have been unable to understand them. The Energy Department has also mishandled and misplaced the audits of several companies. So they have to be audited all over again.

For three months, the department worked on new programs that would cost the taxpayers \$370 million. The White House didn't learn the details until the work had largely been completed. Then Carter decided it would be too expensive, and all that paperwork had to be thrown in the wastebasket.

Critics also contend that Energy Secretary James Schlesinger puts too much emphasis on conserving oil and not enough emphasis on replacing it. The world consumes oil faster than nature creates it. They argue, therefore, that the world inevitably must run short of oil. They believe Schlesinger's first priority should be to find a substitute for oil.

There is one other problem. Schlesinger sometimes isn't available when he's needed. His aides told us that he often goes off bird watching.

Phony Four-Star: Secre-

tary of Commerce Juanita Kreps recently addressed the graduating class of the U.S. Merchant Marine Academy at Kings Point, N.Y. As a member of the Cabinet, she holds the equivalent rank of a four-star military officer. So she thought it would be nice to appear at the commencement in the uniform of a four-star admiral.

The academy did not want to offend the secretary of commerce. So the school dispatched a tailor to New York City to fit Kreps out in a full-dress uniform. The tailor scouted New York's trendiest shops searching for a suitable hat.

Meanwhile, some of the women cadets heard about the grand appearance that Kreps was planning. The cadets marched over to the superintendent's office in high dudgeon. They informed him that they didn't want to be addressed by a phony, four-star admiral.

The superintendent tried to shrug off the incident. Presenting the secretary as an admiral, he suggested cheerfully, was like conferring the rank of a Kentucky colonel.

But the cadets were not amused. Apparently, word of their displeasure got back to Washington. The plans for the four-star masquerade were hastily canceled, and Kreps delivered her commencement address in civilian attire.

Now, however, everyone is pretending it was all a passing fancy. A Com-

merce spokesman indicated the whole idea was never taken too seriously.

China Rep?: At San Clemente, Richard Nixon has been besieged with offers from big corporations. They want him to open the bamboo curtain for them to sell their goods on the Chinese mainland. The oil companies are particularly eager to help the Chinese develop their oil fields.

Several corporations have offered Nixon huge fees if he will use his influence with the Chinese leaders to admit their products. They have held several conferences with Nixon's aide, Col. Jack Brennan. They have also met with Nixon himself.

One participant expects Nixon to go to China, with an offer of technical aid. Another participant told me Nixon doesn't want to jeopardize his relationship with the Chinese by approaching them as a commercial representative.

Return to Watergate: Former Nixon aide John Dean told us he thinks former colleague Bob Haldeman cribbed from Dean's book "Blind Ambition" while preparing the Haldeman saga "The Ends of Power." Haldeman's co-author, Joe Dimona, said it isn't so ... Dean also said he occasionally sees some of his former associates but has never "been invited down to dinner at San Clemente, nor do I expect to be."

It is a good idea to pulverize nuts, seeds, and grains before cooking with them. Cooking time can be shortened greatly if soybeans, lentils, split peas, and the such are crushed before use in soups, chowders, loafs, patties, etc. Another advantage is that seeds are more digestible if ground up first. Whole seeds often just pass through the body. Also, if people have bad teeth, a little mechanical help with the grinding of foods makes eating a lot easier.

Childrens Room News
By Bridget Bennett

Super Summer Seventy-Eight at the Children's Room gets off to a start next Tuesday morning at 10:00 a.m. with the first "Story Garden," a drop-in story hour for 3½ to 5-year-olds. This will be a five-week series for the pre-schoolers who enjoy songs, games and stories. On Wednesday the 12th at 2 p.m., we will be showing the first of our summer movies, "Cheaper by the Dozen" for which free tickets may be picked up after 1:30 p.m.

For those who have been thinking of doing some reading this summer, there is still time to come in and sign up for one of our summer reading clubs. The younger group will meet on Tuesdays at 2 p.m., starting this week, and is designed for boys and girls entering second or third grade this Fall. Activities will include crafts, games, and of course, choosing and enjoying a variety of books. For children entering fourth, fifth or sixth grades, a reading club is planned for Thursday afternoons at 2 p.m. and the books and ac-

tivities for this group will revolve around traveling forward and backward through time and space!

Do you have a hobby you would like to share, or a collection you would like to display? The Children's Room is now scheduling displays for the coming months, so anyone with some items of interest they would like to exhibit in our display case, please give us a call at 475-6960.

Heidt, Foote Rescue Ruth Club

By Rick Harrison

After struggling through its second worst losing streak in the last decade (four games), the Andover Babe Ruth baseball team returned to the winning track last week on the strength of back-to-back pitching gems from lefthander Bob Heidt and righty Fred Foote.

Heidt tossed a brilliant one-hit shutout as Andover blanked Tower Hill, 2-0, and Foote fashioned a strong three-hitter the following evening as the locals trimmed South Lawrence East, 5-2.

Just prior to that Andover's losing streak had been extended to four in a row after setbacks to South Lawrence West (6-4), South Lawrence East (4-0) and North Lawrence (5-2).

The results sent Andover on its annual Canadian trip last weekend with a 6-6 Greater-Lawrence League record, good enough for a third place tie but well behind front-runners North Andover and Prospect Hill.

Andover is scheduled to return to league play tonight at East Junior High, hosting Prospect Hill at 6 p.m., and tomorrow the locals battle North Lawrence under the lights at Mark Devlin Field (8 p.m.).

In one other notable Greater-Lawrence League development, North Andover had its two-season streak snapped at 32 straight games as Tower Hill and pitcher Mark Cockcroft registered a 7-0 victory.

TH was the only team to defeat NA last year, 4-3.

So. Law. West, 6-4

A costly streak of wildness by two pitchers in the second inning led to all six South Lawrence West runs, and the winners than hung on for a 6-4 triumph behind the four-hit hurling of righthander Jim Muldoon.

Muldoon's effort was good enough, but it was also far from classic as he walked five, hit four batters and struck out just two.

Andover received a fine relief effort from Fred Foote, who entered after the damage was done and hurled five innings of three-hit, shutout ball. Foote fanned three and walked three.

The locals broke on top 1-0 in the bottom of the first. Wayne merola was hit by a pitch, but Jake Powell's feilder's choice grounder erased him at second.

Powell took second when Jon Pelletier walked, went to third when Steve Rathbun was hit by a pitch, and scored on Ed Powers' single to leftfield.

However, as it had in the previous 2-1 loss to North Andover, Andover missed out on a big inning when the next batter grounded out.

SLW sent batters to the plate in the second, scoring six times after singles by Low Bosse and Tim Bradley and six straight walks to Mike O'Rourke, Muldoon, Rick Keane, Pete Lacharite, Bosse and Bradley.

The half-dozen free passes all came with two outs.

Andover bounced back with three runs in the bottom of the second, cutting the deficit to 6-4, but that was the end of the scoring.

Bob Heidt rapped a one-out single and Merola was hit with a pitch for the second straight time. Powell's grounder forced Heidt at third, but Pelletier stroked an RBI single and two more runs crossed on

a throwing error.

The locals put two runners on base in the fourth and sixth, but never advanced anyone beyond second base.

The only other safety after the second stanza was a sixth inning infield single by Jon Pelletier, who finished wht game 2-for-2.

SLW threatened once more in the fourth when Muldoon walked, Keene singled and Bosse drilled a double. However, Muldoon was erased at the plate on a fine relay from Pelletier to Powell to Merola.

Both Powell and Pelletier played strong defensive games.

So. Law. East, 4-0

Andover's hitting woes continued against South Lawrence East, as Jon Pelletier and the visitors' Matt Callahan hooked up in a good pitcher's duel.

Callahan finished with a two-hit shut-out, walking two and not striking out a

batter.

Pelletier allowed five hits, whiffed 10 and walked seven. All four runners who scored had walked.

Andover never mounted a serious threat, getting runners to second base only twice, and the lone hits were a lead-off bloop single to left by Wayne Merola and a sixth inning single by Pelletier.

Shark Meat

A 400-pound shark yields 112 pounds of edible meat, 20 pounds of dried meal, 8½ gallons of liver oil, and three pounds of fins and hide, Massachusetts Audubon says. In North American waters about 100 men fish for shark. The meat must be processed immediately after capture.

Pelletier extricated himself from a bases-loaded jam in the top of the first, then settled down until the fourth when SLE broke the 0-0 deadlock with a run.

Jay O'Neil led with a walk, tool second on a wild pitch, and scored on a two-out single by Sean Owen.

Babe Ruth

(Continued from Page 29)

The victors made it 3-0 in the fifth when Jack Conway legged out an infield hit, Steve Rourke and Alex Silva walked, and with two down Callahan looped a two-run single to rightfield.

The final tally in the seventh came after one-out walks to Alex Silva and Don Rennie, followed by a dropped third strike.

Once again Andover played a decent defensive game, sparked by first baseman Bob Heidt and Pelletier.

Pelletier fanned the side in the first, and whiffed two in the fourth and sixth innings, but all to no avail.

North Lawrence, 5-2

Andover's woes continued as the locals couldn't hold a 2-0 and inning lead, handing the game to North Lawrence following a series of mental errors and fielding mis-cues.

Bob Valentino went the distance on the

mound for NL, surrendering five singles, walking five and striking out three. He permitted just one hit over the final five stanzas.

Jon Pelletier took the loss for Andover. He permitted just four hits and two earned runs, fanning six batters. He also walked three and hit three, however.

After having a baserunner picked off in first inning, Andover put three hits together for two runs in the second.

Rich Grimm and Pelletier led the frame w consecutive singles. They moved up on a balk, and then Tim Grams responded with a clutch two-run single to centerfield.

Pelletier was working on a one-hit shutout entering the fourth, and he was aided in the bottom of the third when a fine relay throw from Ed Powers to Bob Heidt to Wayne Merola cut down Mike Valentino at the plate.

North Lawrence sliced the lead to 2-1 in the fourth when Rob Valentino doubled, and Domingo Infante followed with a run-scoring single to centerfield.

NL put the game away with four runs

in the fifth, parlaying two walks, three Andover errors and only one hit into the "rally."

Sloppy baserunning in the fourth and sixth innings killed a pair of potential Andover threats.

Wayne Merola finished the game 2-for-3 and he stole two more bases for the locals while Steve Rathbun also legged out an infield single.

Jason Powell played steady defensive ball at both third and second base for Andover.

Andover, 2-0

Southpaw "stopper" Bob Heidt continued his sensational pitching with the one-hit shutout against Tower Hill at the Andover Playstead.

It marked his third shutout of the season, boosting his record to 3-1, and Heidt has not allowed an earned run over 27 innings of work.

Bob's earlier efforts including a two-hit shutout over Tower Hill, a two-hit shutout against South Lawrence West, and a tough 2-1 loss to North Andover in which both

runs were unearned.

In the 27 innings, Heidt has surrendered only 11 hits and struck out 29.

Mark Cockroft was the hard-luck loser for TH, permitting only three singles himself and fanning seven. It was his second loss of the season, both to Andover, against two wins.

Two of the Andover safeties came in the first inning when the locals pushed across both their runs.

Wayne Merola opened the bottom of the stanza by beating out an infield hit, and he moved to second when Tim Grams sliced a single to rightfield.

Merola promptly stole third base, and scored the only run necessary on a passed ball.

Grams advanced to second on the play, took third on an infield out, and crossed with the insurance run on a wild pitch.

After that it was strictly a pitcher's duel. Andover didn't threaten again, while TH did mount one serious bid in the fifth without getting a hit.

After retiring the first batter in the top of the fifth, Heidt loaded the bases on a hit batsman and two walks. He proceeded to escape the jam by striking out the next hitter, and getting the third out on a routine grounder to first baseman Fred Foote.

Brian Toohey spoiled the no-hit bid with one out in the sixth, grounding a clean single through the hole to leftfield.

Jon Pelletier lashed a sixth inning single down the leftfield line for the only other Andover hit.

Heidt issued four walks and fanned six. Cockcroft didn't walk a batter.

Third baseman Jason Powell and shortstop Steve Rathbun made fine defensive plays in the game for the winners.

Andover, 5-2

Fred Foote, making his first start of the season following an impressive long relief stint against South Lawrence West, held SLE in check and iced his own game with a long two-run homer in the fifth.

Foote finished with a three-hitter, fanning three and walking three, as he bested East "ace" Alex Silva who was touched for 10 hits as Andover snapped its team batting slump.

The locals left the bases loaded in each of the first two frames, but also managed to take a 2-0 lead with single runs in both stanzas.

Wayne Merola opened the game with an infield hit, stole second and third, and scored when Jon Pelletier lofted a sacrifice fly to leftfield.

The victors jammed the bases in the second on a walk to Steve Rathbun and singles by Jason Powell and Matt Wells (bunt). Tim Grams then worked Silva for a walk to force home the tally.

Matt Callahan tied the game in the bot-

34 Diving School

Boston University Diving Coach Cal Loock will conduct the University's first diving school for the six-week period from July 5 to mid-August.

Loock, who has completed his first year as an assistant to Terrier Swimming Coach Reagh Wetmore, was an All-

American diver at Southern Methodist University prior to his graduation in 1972. In addition to his All-American status, Loock's other accomplishments included invitations in 1975 and 1976 to coach the South African and Rhodesian national teams. Also, in 1975, he was one of the featured divers on the ABC Wide World of Sports when he received perfect 10's on his

tom of the second with one swipe of the bat, cracking a 320-foot two-run homer over the leftfield fence after O'Neil legged out a slow roller to shortstop.

Andover loaded the bases a third straight time in the third frame, thanks to a pair of walks and Foote's single, and then Powell spiked an RBI single to left-field to rescue the eventual winning run.

Foote accounted for the final two runs in the fifth, lofting a 325-foot homer over the leftfield fence at Devlin field after Bob Heidt had beat out an infield hit.

Foote pitched out of one huge jam. He loaded the bases with one out and went to a 3-0 count on Don Rennie, but then came back to fan Rennie and retire O'Neil on a sharp grounder to Powell.

VOLKSWAGEN OF AMERICA, INC.

RABBIT DIESEL.
DRIVE THE
HIGHEST MPG CAR
IN AMERICA.

Start 'er up and you may be in for a surprise. Because the most astonishing news about our economy car isn't the economy. It's the car. For example: Are you the kind of person who enjoys zipping from 0 to 50 in a mere 11.5 seconds? Well, you'll be ecstatic in a Rabbit. In fact, it's already set 31 world records for Diesels.

Another example: room. Open the hatch, and (amazingly!) there's more trunk space than a Cadillac Seville. Fold down the rear seat and (shockingly!) there's almost as much cargo room as most station wagons.

Then open the door. Your eyes don't deceive you. It has more people room than 40 other cars you could buy.

*1978 EPA MILEAGE GUIDE

What's more, you should be thrilled to know diesel fuel costs about 10¢ a gallon less than gasoline. Diesel engines hardly ever need regular tune-ups. And to top it all, a Rabbit Diesel won top honors in the latest EPA mileage tests with 53 MPG highway, 40 MPG city.

(EPA Estimates. Actual mileage may vary with how and where you drive, optional equipment and your car's condition.)

Now, how can you resist a test drive in a car like that?

Final 2nd Half Standings:

	W-L
Braves	6-3
Giants	6-3
Dodgers	5-4
Cards	5-4
Pirates	4-5
Cubs	4-5
Mets	2-7

The first place scramble continued Wednesday with two playoff games. The Cubs and Cards will decide the first half championship after tying with 7-2 records. The second half tie will be dissolved as the Giants and Braves square off. Winners will meet at a later date.

Braves 8, Pirates 4

Mike Twomey won his eighth straight game victory to remain undefeated as he struck out 11 pirates, also leading the attack with two hits. Dave Steele lined a double and single for the Braves and Craig Ziady lashed an RBI single. The Pirates Jeff Fox banded a 3 run triple, while Joe Wescott got an RBI single.

Charles A. Reese, son of Mr. and Mrs. Charles J. Reese, 59 Salem Street, North Andover, received a B.S. in biology with Highest Honors in biology. He also graduated Summa Cum Laude from Grove City College, Grove City, Pa.

Giants 9, Cubs 1

Winning pitcher Steve Eldred rapped 3 hits knocking in 3 runs, leading the Giants. Teammate Tom Lutz had two doubles and 5 RBI while Rob Wilson had two singles. The Cub run was slammed in by Larry Cuddy as Dave Caiati and Bill Donovan hit singles.

Dodgers 9, Cards 4

Chuck Arrigo pitched and batted the Dodgers to victory sending two runs home on a ringing double. Teammates Chris Wilson and Bob Wilson also had RBI doubles for the victors. The Card offense was led by Ken Doherty's two hits, while Paul Tarro hammered a double getting two RBI.

Cards 10, Giants 4

Relief specialist Mark Grams prevented the Giants from clinching first. The hot hitting Cards were paced by 3 hits apiece from Brett Larrabee and John Geiger, also by Paul Tarro and Zach Apgar belting 2 hits and 2 RBI each. Leading the Giants was Rob Wilson with 3 hits and Tom Lutz lashing two.

Pirates 10, Dodgers 9

Reliever Dave Morse held off the Dodgers preventing them from tying for first. Bucks Bill Baldwin banded 3 hits for 3 RBI while Mark Lefebvre and Jeff Fox had doubles. Dodger hitting was paced by Paul Burke's 3-run homerun and double as Chuck Arrigo whacked two doubles, and Bill Brecher and Bob Wilson each singled twice.

Diamond Jewelers — Special Treatment, Expert Gemologists

When buying a diamond or other precious stone jewelry, sterling, watches or fine china, those "special" items that take extra care in choosing, you don't want everyday treatment. At Diamond Jewelers in the Methuen Mall, you feel very "special" from the minute you walk in the door.

Gary Sachs and his staff at Diamond Jewelers are ready to assist you in your selection and are knowledgeable in diamonds and fine jewelry. Gary is a 4th generation expert gemologist and Diamond Jewelers is a 27 year old concern, with the main store in Worcester and one at the Methuen Mall for almost 4 years.

Diamond Jewelers believes they are the only ones in the area to make a qualified gemological examination on the

diamond you are buying or having appraised. All their diamond sales people have attended classes at the G.I.A. (Gemological Institute of America) in New York City, which allows Diamond Jewelers to claim the finest diamond sales staff in the area.

Instead of choosing a diamond by just a casual glance, come in and learn about diamonds; have the benefit of experienced gemologists to guide you. They are also qualified to give appraisals on any fine jewelry for insurance purposes.

A Repair & Design Shop is located on the premises, offering watch and jewelry repair and individualized jewelry design.

Diamond Jewelers has a large selection of 18 Karat

jewelry, which is scarce in this area. Also an excellent selection of watches by Citizen, Seiko, Bulova, Hamilton and Movado. In fine giftware, they have sterling and pewter by Kirk, Steiff, Reed & Barton and International; china by Denby, Mikasa and Gorham; crystal by Wallace, Franciscan and Gorham; and they also have a fine collection of fine-porcelain from West Germany.

A discount of 20% off anything over \$15.00 is offered on a continuing basis by Diamond Jewelers and major credit cards are accepted. Stop in and get acquainted soon. Make your "special" purchases from very special Diamond Jewelers in the Methuen Mall. Open Mall Hours: Mon. - Sat., 10-9:30. Tel. 687-1595.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale (under Judgment of the Land Court for the Commonwealth of Massachusetts No. 89555) contained in a certain mortgage given by GEORGE S. TUROW and JANET TUROW to ARLINGTON TRUST COMPANY, a Massachusetts corporation having an usual place of business in Lawrence in the County of Essex, dated December 19, 1975, registered as Document No. 25052, noted on Certificate of Title No. 5635, issued from Essex (Northern District) Registry of the Land Court, of which mortgage the undersigned is the present holder, for breach of the conditions contained in said mortgage and for the purpose of foreclosing, the same will be sold at PUBLIC AUCTION ON THE PREMISES NUMBERED 6 MAYFLOWER DRIVE (also known as Mayflower Road), ANDOVER, MASSACHUSETTS, on THURSDAY, JULY 27, 1978, at TEN O'CLOCK A.M., all singular the premises described in said mortgage, to wit:

That certain parcel of land situate in Andover in the County of Essex and said Commonwealth, bounded and described as follows:

Southeasterly by Mayflower Road, one hundred eighty (180) feet;

Southerly by a curved line at the junction of Mayflower Road and Miles Circle, thirty-one and 42/100 (31.42) feet;

Southwesterly by Miles Circle, eighty (80) feet;

Northwesterly by lot forty (40) as shown on plan hereinafter mentioned, one hundred ninety-five and 12/100 (195.12) feet, and

Northeasterly by lot forty-two (42) on said plan, one hundred two and 06/100 (102.06) feet.

All of said boundaries are determined by the Court to be located as shown on Plan No. 20346M, Sheet 1, drawn by ALBERT A. MILLER and WILBUR C. NYLANDER, Surveyors, dated September 10, 1962, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed with Certificate of Title No. 5335, Book 36, Page 141, and being designated as lot forty-one (41) thereon.

There is hereby granted the right to use the streets and ways shown on said plan in common with others entitled thereto for all purposes for which streets and ways are commonly used in the Town of Andover.

Subject to the restrictions contained in a deed from Frank Catalano to Regent-Andover, Inc., dated May 14, 1963, filed and registered as Document No. 17151.

Subject to an easement for drainage purposes running in favor of Andover Village Improvement Society to Frank Catalano dated January 7, 1963, and registered and recorded with Essex North District Registry of Deeds, Registered Land Division, as Document No. 16948, on Certificate of Title No. 5635, Land Registration Book 38, Page 141.

Subject also to an easement to the Massachusetts Electric Company dated May 29, 1963, and registered and recorded with Essex North District Registry of Deeds, Registered Land Division, as Document No. 17206, on Certificate of Title No. 5635, Land Registration Book 38, Page 141.

Subject also to an easement to the New England Telephone and Telegraph Company dated June 28, 1963, and registered and recorded with Essex North District Registry of Deeds, Registered Land Division, as Document No. 17292, on Certificate of Title No. 5635, Land Registration Book 38, Page 141.

For our title see Certificate of Title No. 5635 recorded in Essex North Registry of Deeds, Book 38, Page

141.

The premises will be sold subject to any and all unpaid taxes and other municipal assessments and liens, and subject to prior liens and other enforceable encumbrances of record entitled to precedence over said mortgage.

Four Thousand Dollars will be required to be paid in cash or certified check or bank treasurer's check by the purchaser at the time and place of the sale. The balance is to be paid in cash or by bank treasurer's or certified check to the undersigned at the office of Clifford E. Elias, Esq., 316 Essex Street, Lawrence, Massachusetts, within fifteen (15) days thereafter. Other terms will be announced at the sale.

Real Estate

By DOUGLAS N. HOWE

REALTOR

MOVING EXPENSE TAX DEDUCTIONS

Prior to 1970, your moving expense tax deduction was limited to the cost of transporting your household goods and family transportation costs for the move (including food and lodging).

Little by little, other expenses of making the move were added to the deductible expense list. Now they have been liberalized even more with the 1976 tax reform bill. Effective with that law, here is how the new scoreboard reads.

You can deduct up to \$3,000 for the cost of real estate commissions, mortgage costs and similar items incurred in buying or selling your home or settling a lease. Of this \$3,000 total — one half (or up to \$1,500) — may

be deducted for expenses incurred for pre-move house-hunting expenses as well as temporary living expenses for up to 30 days at your new location.

These benefits apply to the self-employed as well as employees. In order to qualify for this moving expense deduction, the reason for the move must be a job change and the new job site must be at least 35 miles away.

If there is anything we can do to help you in the field of real estate, please phone or drop in at **THE HOWE AGENCY, 4 Punchard Ave., Andover.** Phone: 475-5100. We're here to help.

Compugraphic...

Senior Secretaries

To remain the world leader in computerized phototypesetting equipment, Compugraphic must continue to grow. As a result, we have several openings for experienced senior secretaries.

To qualify, you should have excellent typing and communication skills and be poised, well-organized, and able to operate effectively in a high pressure environment. In some cases, shorthand would be a plus. In all cases, you must have solid secretarial experience, with a minimum of one year as a senior secretary.

If you are interested in applying for one of these positions, please drop by the Personnel Department or call Rosanne Cleary at (617) 944-6555.

Compugraphic offers excellent starting salaries, a full range of company benefits, promotions from within, excellent profit sharing, and is conveniently located at the junction of Routes 93 and 129 in Wilmington.

Director

(Continued from Page One)

law and by town codes with regard to subsurface sanitary systems.

A clerical staff will be a part of the department and will consist of a pool of full and part time clerical held to be assigned by the director.

Boards and committees which will come under the responsibility of the new department include the planning board, board of health, zoning board of appeals, development and industrial commission and the conservation commission.

The new department is part of an overall reorganization plan for the town as proposed by Town Manager Clark, in an effort to provide more co-ordination of effort and a reporting system which provides for a smoother line of responsibility.

While the manager remains the principal director of all town functions, Clark intends to systematize the reporting process to pyramid type organizational structure, rather than a horizontal or flat plan with all agencies reporting directly to him.

Also in the reorganizational plans is a revamping of such groups as recreation community schools, elder services and the like into a department of community services.

This, as planned at the moment, would result in no additional personnel, simply a redirection of efforts and assignment of areas of responsibility, to allow for a more effective management of the town's services and reporting to the manager.

Town Topics

(Continued from Page Three)

following the advertising of an invitation for architects to submit.

It is anticipated that the committee will be reviewing the proposals with intent to select an architectural form for the project within the next week or so.

Architects will be asked to plan the project which includes renovation and additions to the East Junior High, and an auditorium-classroom for the high school.

Down The Years

(Continued from Page 27)

Mrs. James Kendall Longe, 109 Main St., was the 200,000th recruit to arrive at the Fort Devens reception Center this past week.

Leonard F. James, acting chairman of the history department at Phillips Academy, is in the Pacific Northwest for a six-weeks "fellowship in business," at the offices, plants and woods of the Weyerhaeuser Timber Co.

Major Arthur W. Ermer, of Andover, is spending the two-week period ending July 12 as commanding officer of the 324th

Machine Records unit at Camp Kilmer, N.J.

Hearing Monday

The Conservation Commission is sponsoring a meeting on Monday, July 10 at 7:30 p.m. in the Print Room of the Memorial Hall Library for suggestions to the project director for recreational uses to be planned for the Bald Hill-Wood Hill Reservation.

The public is invited to participate.

Recreational uses must be passive only, for example skiing, hiking, horseback riding, informal games, picnicking, etc. The reservation includes more than 200 acres of undeveloped and scenic land suitable particularly for trails, and contiguous to A.V.I.S. lands used for similar purposes. The town has been awarded a CETA grant for the development of such uses this summer.

Carillon Concert

The second in the summer series of recitals on the 37-bell Samuel Lester Fuller carillon in Phillips Academy's Memorial Bell Tower will be given Tuesday at 7 p.m. Sally Slade Warner, PA's carillonneur, will present the hour-long program featuring original carillon compositions by American composers, as well as other works. Included will be a repeat performance of a new carillon piece, "Aria," by PA Alumnus Daniel Pinkham.

The public is invited to bring blankets and picnic suppers. Printed programs are available at the base of the tower.
